

**QUESTIONS ABOUT
THYROID CANCER AND
YOUR TREATMENT?**

**WE CAN
HELP YOU**

Understandably you may have many concerns, mixed feelings and questions about your cancer.

Ingrid Haupt-Schott is a National Macmillan Thyroid Cancer Clinical Nurse Specialist who is part of the hospital team which provides your treatment and care.

Via phone or email, she can support you through every step of your treatment and is available for help, information and support.

**WE ARE
MACMILLAN.
CANCER SUPPORT**

NHS

Ingrid can support you and your family throughout your diagnosis and treatment.

She can help you with:

- Finding extra information about side effects and follow-up.
- Referrals to other local services – like physiotherapy, dietetics or financial advisers.
- Addressing any problems throughout and after your treatment, and liaising with the oncology and surgical consultants where necessary.
- Supporting you with any decision making processes relating to your treatment, including clinical trials.

But most of all, Ingrid is there for you at the end of the phone if you need someone to talk to.

You can call Ingrid on 02920 615888 ext 6308 or email her at Ingrid.Haupt-schott@wales.nhs.uk.

If you would like more information or if you just need to chat, the Macmillan Support Line is also available and is free to call on 0808 808 00 00. Our team of experts are on hand to answer any of your questions, or just have a chat if you need it.

Ingrid is also available as a resource in the area of thyroid cancer for other healthcare professionals.
